Radical Power

Aligning the church with God to set the world on fire

“Radical power is when all you have been created by God to be is fully aligned with His plan for changing the world.”

An Invitation to Pastors

Imagine

What your church could be if everyone could know:

The power that comes from their righteousness in Christ

The gifts God has given them

How to align themselves with God, rather than trying to fit God into their plan

We invite and encourage you to join us for a seminar in your area or contact us to discuss hosting the seminar at your church. As co-ministers of the Gospel of Jesus Christ, we find great joy in seeing another discover the excitement of an alive and personal relationship with their Savior and ours. We look forward to celebrating with you as your church, your city, your nation and our world changes when believers in your flock begin to walk with radical power.

Yours for Moving the Church to Set the World on Fire,

Ruth Ann Nylén

Our Ministry Passion

Our ministry passion is to bring revival and power to the church with the ultimate goal of mobilizing the all believers. Our prayer is that of Paul:

I pray also that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in the saints, and his incomparably great power for us who believe. That power is like the working of his mighty strength, which he exerted in Christ when he raised him from the dead and seated him at his right hand in the heavenly realms, far above all rule and authority, power and dominion, and every title that can be given, not only in the present age but also in the one to come.
